

PATHWAYS ACADEMY

OPERATED BY FLORIDA STATE COLLEGE AT JACKSONVILLE

Mission Statement

The mission of *Pathways*, a Florida State College at Jacksonville charter career academy, is to provide academic, career and character development instruction for high school dropouts and students at high-risk of dropping out who have been referred to *Pathways* by the Duval County School District. Through intensive, innovative and focused secondary and postsecondary instruction as well as comprehensive case management services, Pathways seeks to re-attract, motivate and engage students in a challenging and exciting whole-life educational environment.

Vision Statement

Pathways Academy will be recognized, at the state and national levels, as a leader in providing a comprehensive academic and personal enrichment program that allows the flexibility to take students through high school graduation, post-secondary education and gainful employment leading to a successful future.

Statement of Values

At Pathways Academy we value:

- An environment that fosters quality teaching and functional learning
- Innovative and creative education options for students
- Personal, professional and social development

RELATIONSHIPS

By Joseph B. Williams

Relationships are funny;
 Some are demanding;
 Some are about money;
 Some are understanding;
 Some are about games;
 Some are about nothing;

But some relationships are real when people keep it one hundred.

Relationships are great, but make no mistake,
the beginning feels good, but it isn't what you think.

Relationships are bad and sometimes sad,
but good when you get that feeling you never had.

Relationship for me, well that's just too deep,
I take it seriously... in the end I am deceived.

Relationships in general hold back potential, and I got the need to succeed.

Jobs for Florida's Graduates (JFG) is an affiliate of Jobs for America's Graduates (JAG). In partnership with Jobs for America's Graduates, JFG's focus on rigor, relevance, relationships and recognition has moved state and national leaders to name our program "the best, most successful program in drop-out prevention and school to career services in the Country." JFG is a competency-based work and life skills program which is delivered by licensed educators in middle schools, high schools, community colleges and community based organizations.
